(January 4, 2017)**

The United States Postal Service (Postal Service) hereby gives notice of filing errata concerning the financial workpapers included in the filing of the inbound portion of a bilateral agreement with the Australian Postal Corporation ("Australia Post"), which the Postal Service seeks to include within the Inbound Market-Dominant Multi-Service Agreements with Foreign Postal Operators 1 product, in the market dominant product list of the Mail Classification Schedule, which the Postal Service filed in this docket on December 22, 2016.¹

financial workpapers that the Postal Service is filing today under seal in this docket. The corrections also resulted in changes in cell C8 of tab "04_PRIME_Inputs," cells C6 and E6 of tab "06_Total_Rev_Cost," and cells C7 and F7 of tab "07_Summary."

Because only the cells listed above have been changed, the Postal Service requests that the Commission consider the redacted version of the financial workpapers filed with the Postal Service's initial notice in this docket as representative of the corrected financial workpapers filed with this notice. The Postal Service incorporates by reference the application for non-public treatment that was filed in conjunction with the Postal Service's December 22, 2016, notice in this docket.² The application protects from disclosure the information in the financial workpapers that the Postal Service is filing today with this notice.
